

DRIVING FROM LA PAZ AIRPORT

Simple directions from the airport are as follows:

1. Follow the airport road out to the end and take the RIGHT turn towards La Paz, Centro. You are now on the main road into town. (See Map 1)
2. Stay on this road for about 3 miles or so until you come to an intersection with Colosio St at the Red light, where the Volkswagen dealership is, on the left corner across the road. (See Map 2)
3. Turn left and follow that street (Reforma) towards the beach, to the end of Reforma st,
4. When you arrive to the Orange/yellow Bldg on the corner of Reforma and Brecha California, make a right turn. (See Map 3)
5. Drive one short block and make another right (you are now on de Las Rosas, our street), Straight ahead 200 ft on the left is Hacienda Paraiso. Pull up to the blue arch (our main entrance) , ring the bell (look for string on the right side of the arch).
6. Bienvenidos a Hacienda Paraiso
